

The Nancy Drew Halloween Costume, a Nancy Drew “Boo” collectible—a nice crossover for Halloween collectors as well—is something that is rather hard to find. Tied into the 1970s TV show, there were also costumes for The Hardy Boys as well. The Collegeville Costume featured Pamela Sue Martin’s photo on the front and the name “Nancy Drew.” The mask looked similar to Pamela with eye hole cutouts. As far as wearing the costume goes, unfortunately for most adult collectors, the sizing was for kids. The mask is a possibility, but due to the scarcity of the set, one would be best to display rather than play with this collectible. Values range from \$75.00 to \$200.00 depending on condition and where you are purchasing.
